

Insite Solutions Adhesive Remover

Product Data Sheet

SKU: **REM-100-Q**

Main Purpose

Removes adhesive without removing floor coatings.

Sizes

118ml—Sample Only

Quart

Gallon

5 Gallon

55 Gallon Drum

Strength

Medium: will remove adhesive residue but not paint and epoxy coating.

Use this to remove the adhesive residue left on the floor from vinyl floor tapes. Standard vinyl floor tapes are notoriously difficult to remove. Applying a squirt of our InSite Solutions Adhesive Remover will make the job much less laborious.

Eco-friendly and made with soybeans.

Great for removing over-spray from press and floors, and ink from squeegees and machines.
