L-Z	Site-Specific label. Ask your supervisor or safety specialist for handling instructions.				

Note: The use of these PPE codes on our GHS Secondary Labels is optional and not required by OSHA. That said, it is a good safety feature to recommend PPE to an employee. Refer to the SDS to determine the best PPE selection for the chemical being used. For more info, visit <http://stop-painting.com/ghs-sds/ghs-secondary-labels.asp>.
