HOW TO ORDER

Phone

Call our 6S professionals at **866-284-1541** to place your order or for suggestions on what organization products work best for your facility.

Email

You can also email us at sales@stop-painting.com to order, get suggestions or to request a quote on stock or custom products.

Online

Visit Stop-painting.com to order anything that you see in this catalog. Be sure to check out our resource center for helpful tips.

SHIPPING

As you shop our site or talk with one of our consultants on the phone, we give you an estimate of the shipping and processing charges for your order. We calculate this estimate based on shipment to addresses and the vendor we will use to transport the package to you. At checkout, we calculate the final shipping and processing charges for your order based on the value of your order and how you tell us you want us to ship your order.

Gain the savings that others miss out on.

Call **866-284-1541** today to see if you qualify to join our Wholesale Partnership Program and get the best deals on the products you need.

How It Works

You Audit

Research your facility's maintenance costs over the last 12 months and determine an average annual usage. Share that info with us and we negotiate a percentage discount based on your projected volume.

We Build

We build a custom landing page tailored to your company's specified products. On our page, you will have your own order form and pin number specific to your company with a list of the products you use.

Everyone Wins

Your purchases are tracked and once your goal is met, you will receive a retroactive rebate check.

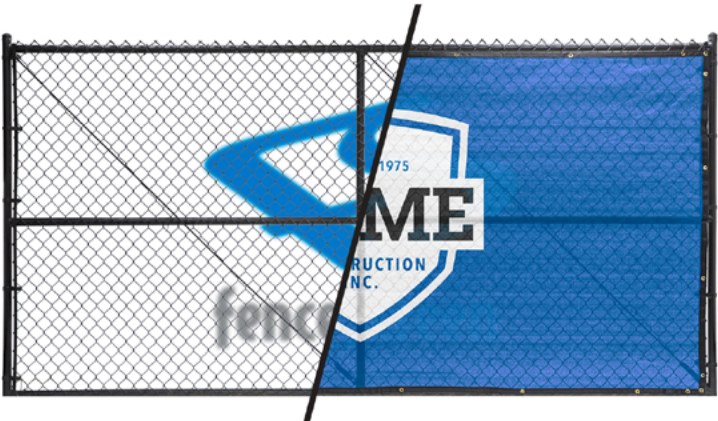

This is a true partnership and allows you to buy direct from the manufacturer at wholesale prices.

*** Entry into program is determined upon certain qualifications met. Please call for details. ***
