

Door & Exit Marking Kits

Kits are a great alternative to painting. Facility operations can resume immediately upon completing installation of these kits, which are quick and simple to install. No drying time, and no need for measuring tape, these pre-cut strips are measured for you.

This 9-piece kit makes it easy to comply with **OSHA** regulations requiring exits to be unobstructed and clearly marked.

Egress kits are available in 2" and 4" Superior Mark™ tape in 36" x 36", 42" x 42", 48" x 48", or we can completely customize any size you need.

OSHA Code: 1910.37; 1910.37(q)(3)(f)(4); (5) Any doorway or passage that might be mistaken for an exit must be marked "Not an Exit" or with an indication of its actual use.

Door kits area available for 36", 42", 48", or we can completely customize any size that you need.

Pre-cut strips are an easy way to quickly mark exits and egress pathways.

Pre-cut pieces feature our patented beveled edge design and hangover release liner.

Maximize adhesion to the floor by using one of our Superior Mark™ tamper carts.

Use Pre-cut kits to create a visually appealing workplace that communicates safety messages clearly.
