

PRE-CUT EXIT KITS

NEW!

The **NEW!** Superior Mark™ Exit Marking Kit is a great alternative to painting. Facility operations can resume immediately upon completing installation of this kit, which is quick and simple to install. The kit also creates eye catching floor patterns to clearly mark all exit doors and decrease the potential for exits being obstructed. Additionally, it keeps exits clear and decreases the potential for exits being obstructed. Available for 36", 42", 48", and we can custom cut exit marking kits for any size door.
