

Superior Mark™ Floor Marking Kit

Eye Wash Station

The Eye Wash Floor Marking Kit will help direct employees to eye wash stations. The floor sign is 17.5" in diameter, with a large blue arrow and white image of a face using the station.

Floor Sign Available in:

- Vinyl
- Rubber
- Inlaid

Eye Wash Kit can be ordered with 2" or 4" width Superior Mark floor marking tape, with "DO NOT BLOCK" printed on the sides and "EYE WASH KIT" with icons printed on the middle.

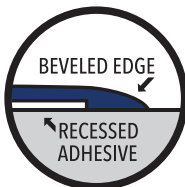

The standard kit comes with two 36" side strips and one 24" center strip of Superior Mark™. Custom dimensions are available upon request.

Puzzle-cut corners for a fully beveled corner joint.

Hangover release liner means installation takes just seconds.

Made with Superior Mark™ **patented** marking tape, which features beveled edges and a recessed adhesive for maximum durability.
